YOUR LINK BETWEEN PATIENT AND CARE

Nipro Medical Corporation is a subsidiary of Nipro Corporation Japan, established in 1954 and a world-leader in healthcare with over 30,000 employees around the globe. We are committed to delivering innovative, high quality solutions in the form of renal, medical-surgical, and vascular products. This fundamental objective drives us to develop cutting-edge, value-added products for healthcare professionals that are safe, effective, and easy to use.

As an integral part of a vast global manufacturing network, Nipro Medical Corporation's North America division is responsible for managing the sales, marketing, and business operations of the United States and Canada – unified in our commitment to improving patient care and quality of life.
